Subject: TRI PFAS Refs versus TSCA PFAS petition list
Attachments: PFAS on TRI HERO not TSCA List.xlsx

Hi Dave,

I have been comparing the list of PFAS in the TRI HERO lists with those in the Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

In the attached spreadsheet I took the list of EPA Test Method/NDAA listed PFAS and

Ex. 5 Deliberative Process (DP)

I'm also looking at our list of PFAS used to make polymers, so far there Ex. 5 Deliberative Process (DP)
Ex. 5 Deliberative Process (DP) but I have no idea whether any
of those references are for human health or eco toxicity.

A couple of interesting observations Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Dan
